

OLDHAM NIGHT SHELTER PROJECT

Over the winter of 2017/18 a number of Oldham's faith and voluntary-sector groups (Oldham Parish Church, OL1-Oldham, the European Islamic Centre) have been making their buildings available as emergency accommodation for rough sleepers.

For the coming winter (2018/19) we are seeking to extend this provision by coordinating and expanding these efforts. We are therefore seeking to identify a number of different venues in the Oldham area that might be made available on a temporary basis (approx. one night a week) as shelter spaces for the winter of 2018/19, as well as those who might provide volunteers and other services.

If you think you or your organisation may be able to provide such a venue or any of the services listed below then please complete the following form and return it to Fr Charlie Annis at Oldham Parish Church or charlie.annis@gmail.com. For further information please call Fr Charlie on 07546773457.
